Thank you, Claudia,

You did a great job today and really helped to get the conversation going and to continue it and we do appreciate it very much!

Paula

Hello Paula and Jennifer,

Attached are the documents requested of pre and post survey. I have a bullet point document of the Workshop Overview. I have not written one with more comprehensive information, will plan to do it and send it as soon as I complete it. Most of the time, I do oral presentations so I explain and answer questions.
