

Advancing Collective Strategies for Primary Prevention ? A New Era for Collective Collaboration and Partnership

Webinar: Advancing Collective Strategies for Primary Prevention ? A New Era for Collective Collaboration and Partnership

This webinar was presented by members of Prevention Institute
February 11th, 2016

Presenters:

Juliet Sims, MPH, RD ? Program Manager at Prevention Institute
Maureen Silva, MPH ? Program Coordinator at Prevention Institute

Presentation Objectives:

- Identify examples of efforts ? both locally and nationally ? that ground participants in a prevention-based community health approach that advances health, safety and equity
- Connect opportunities to engage partners from multiple sectors that support a comprehensive approach to community prevention
- Increase their understanding of Prevention Institute?s Collaboration Multiplier as an interactive framework and tool for analyzing collaborative efforts across fields
