

# **CRISS Webinar on Children with Special Health Care Needs: Collaborative Approaches to Address Their Needs**

## **Webinar: Children with Special Health Care Needs: Collaborative Approaches to Address Their Needs**

February 29<sup>th</sup>, 2016

### **Presenter:**

Laurie Soman, Project Director for the Children Regional Integrated Service System (CRISS). CRISS aims to promote a seamless, integrated, cost-effective, and efficient regional service system that improves service delivery and coordination of care for children with special health care needs.

### **Presentation Objectives:**

- The definition and scope of services necessary for Children with Special Health Care Needs (CSHCN) in California.
- The role of multi-disciplinary collaboratives in supporting CSHCN, including CRISS.
- How MCAH programs can support CSHCN and their families.
