

Webinar: Early Intervention and Help Me Grow Webinar

When: April 6th, 2016

Presenter:

Alyce Mastrianni provides consultant support to Help Me Grow California to foster growth of the model statewide, and promote fidelity to the Help Me Grow model.

Presentation Objectives:

- What can be achieved when HMG is used as a systems approach
- A description of the core components of the HMG model
- How HMG can be utilized at the county level through community partnerships
- The state-level policy work HMG/First 5 are engaging in as well as their efforts to support county work on HMG and developmental screening
