

Race/Ethnic Data Quality Databooks Webinar

Webinar: Race/Ethnic Data Quality Databooks Webinar

November 29th, 2016

Presenter:

Jennifer Rienks, PhD? Associate Director of the Family Health Outcomes Project (FHOP) at the University of California, San Francisco (UCSF)

Presentation Objectives:

At the end of the session:

- Participants will be able to understand how hospital and patient discharge R/E data is collected and coded.
- Participants will know how to locate both the local and hospital-level R/E Data Quality Databooks on FHOP?s website.
- Participants will understand how to use local R/E Data Quality Databooks.
- Participants will know about the potential implications of poor R/E data quality.
