

## Needs Assessment Resources

## Needs Assessment Resources

### Problem Analyses - All ADA Compliant (in alphabetical order):

Access to Care Potential Precursors [1]

Adolescent Injury [2]

Adolescent Mental Health Potential Precursors [3]

Adolescent Pregnancy Potential Precursors [4]

Adolescent Sexual Health Potential Precursors [5]

Adolescent Violence Potential Precursors [6]

Blank Problem Analysis with boxes [7]

Breastfeeding Potential Precursors [8]

Child Abuse Potential Precursors [9]

Child Injury Death 0-14yrs Potential Precursors [10]

Child Injury Potential Precursors [11]

Infant Mortality Potential Precursors [12]

Maternal Health Potential Precursors [13]

Motor Vehicle Injury 0-4yrs Potential Precursors [14]

Obesity Potential Precursors [15]

Oral Health Potential Precursors [16]

Partner and Family Violence Potential Precursors [17]

Perinatal Mood Disorders Potential Precursors [18]

Perinatal Substance Use Potential Precursors [19]

Preconception Health Potential Precursors [20]

Premature Births Potential Precursors [21]

PrenatalCare Entry and Adequacy Potential Precursors [22]

SIDS Potential Precursors [23]
