[Setting up a Help Me Grow Call Center/Central Access Point for Local MCAH Programs](#) [9]

[Completing Your MCAH 2018-2019 SOW](#) [10]

[Family Leave Rights Education for Prenatal Providers](#) [11]

[Developmental Screening in Medi-Cal Managed Care](#) [12]

[Strategies for Engaging Parents of Children and Youth with Special Health Care Needs \(CYSHCN\)](#) [13]

2017

[Early Start Neighborhood](#) [14]

[Using the 'Learn the Signs. Act Early.' Campaign Materials to start a Collaboration between WIC and Help Me Grow](#) [15]

[Continuous Quality Improvement Efforts for MCAH Populations](#) [16]

Approaches to Improving Local Systems of Care for CYSHCN and their Families [17]

Maternal Mental Health Safety Bundle [18]

Best Practices for Promoting Developmental Screening [19]

Addressing the Social Determinants of Health [20]

2016

Race/Ethnic Data Quality Databooks [21]

Local Health Jurisdiction Role in Eliminating Food Insecurity [22]

Early Start for Infants and Toddlers [23]

9 Steps to Breastfeeding Friendly: Guidelines for Community Health Centers and Outpatient Care Settings [24]

Immunizations [25]

Early Intervention and Help Me Grow [26]

CRISS Webinar on Children with Special Health Care Needs: Collaborative Approaches to Address Their Needs [27]

Advancing Collective Strategies for Primary Prevention ? A New Era for Collective Collaboration and Partnership [28]

2015

Help Me Grow [29]

Smoking Still Matters Before, During and After Pregnancy [30]

CDPH MCAH Nutrition and Physical Activity Guidelines for Adolescents [31]

Walking 101 [32]

Strategies for Improving Maternal Mental Health Locally [33]

Orientation to the New FHOP Website [34]

2014

Introduction to Selecting Evidence Based Intervention and Completing your Action Plan [35]

Selecting Evidence Based Interventions [36]

Action Plan Preparation [37]

Completing your Needs Assessment Deliverable Packet [38]

Getting the most out of your local Databooks [39]

Developing Problem Statements and Selecting Interventions [40]

2013

Problem Analysis [41]

Understanding and Interpreting Needs Assessment Data [42]

Introduction to Needs Assessment [43]

Program Planning Overview [44]

Life Course Perspective and Black Infant Health (BIH) [45]

Public Health Practice and Skill Building: Perinatal Substance Use [46]

Public Health Practice and Skill Building: Strategies for Measuring Program Effectiveness [47]

2012

Public Health Practice and Skill Building: Program Evaluation II - Data Sources and Developing an Evaluation Plan ^[48]

Public Health Practice and Skill Building: Introduction to Program Evaluation ^[49]

Public Health Practice and Skill Building: Getting the most out of your local data spreadsheets ^[50]

Public Health Practice and Skill Building: Infant Health ^[51]

Public Health Practice and Skill Building: Healthy Weight and Pregnancy ^[52]

Systems and Environment Change to Improve the Health of MCAH Populations ^[53]

2011

Public Health Practice and Skill Building: Strategies to Understand and Improve Preconception Health in your County ^[54]

Local MCAH Program Scope of Work 2011-2012 - Completing the Scope of Work Worksheet ^[55]

Local MCAH Program Scope of Work 2011-2012 - Goals, Objectives, and Performance Measures ^[56]

Public Health Topics, Issues, and Resources: Strategies to Increase Breastfeeding in your County ^[57]

Public Health Practice and Skill Building: Using California Birth Information System (CBIInfo) ^[58]

Module 1: "Getting Started: Installing the Software, Navigating CBIInfo, and Importing the Data" ^[58]

Public Health Practice and Skill Building: Using California Birth Information System (CBIInfo) ^[59]

Module 2: "Generating Reports and Tables in CBIInfo" ^[59]

2010

What FHOP Can Do For You to Support Program Planning, Evaluation, and More ^[60]

MCAH Marketplace Online Launch Party ^[61]

Public Health Practice and Skill Building: Identifying Data Sources for MCAH Needs Assessment, Planning and Evaluation ^[62]

Public Health Practice and Skill Building: Using Objectives and Performance Measures to Evaluate Program Effectiveness ^[63]

Public Health Practice and Skill Building: Using a Logic Model Framework for Program Planning and Evaluation ^[64]

Public Health Practice and Skill Building: Using a SocioEcological Model to Develop Strategies for Impacting MCAH Outcomes ^[65]
