

## Webinar: MCAH Marketplace Online Launch Party

**Date: Wednesday, Dec 15, 2010**

At the Launch Party, we will have an open webinar to demonstrate the functions of the website, including signing up for an account, adding/editing entries, and downloading resources. After a short presentation, the webinar will be open for Q&A. Individuals are welcome to come and go as they please. The webinar will be archived for anyone not able to attend live.

The MCAH Market is a place intended for local MCAH Directors and related program staff to share examples of resources (interventions, assessment tools, etc.) and programs they have developed that other local MCAH programs could adapt and utilize. FHOP compiled the initial items that were "for sale" during the MCAH Action Meeting in October 2009 and has posted them online at the MCAH Marketplace website to get the site started. In the future, MCAH Directors and related program staff are encouraged post resources to more fully develop the resource bank for local MCAH programs, and in doing so provide a place to house the various tools and other useful resources that are now only shared via emails. The Marketplace website is password protected - you will need a Google account to access the site and to add/edit entries

For more information about the MCAH Marketplace, click here <sup>[1]</sup>.
