ABOUT UCSF

UCSF is part of the 10-campus University of California, the world's premier public research university system, and the only of its campuses dedicated to graduate and professional education. The Family Health Outcomes Project (FHOP) is a cooperative effort of the Department of Family and Community Medicine and the Institute for Health Policy Studies (IHPS) at the University of California, San Francisco (UCSF). Our mission is to improve the health of children and their families and communities by supporting development and implementation of comprehensive community assessment and planning, data-driven policies, evidence-based interventions, and effective evaluation strategies. The UCSF School of Nursing's mission is to educate diverse health leaders, conduct research, advance nursing and inter-professional practice, and provide public service with a focus on promoting health quality and equity.

ABOUT RESOURCE DEVELOPMENT ASSOCIATES

RDA Consulting is a mission-driven consulting firm based in Oakland, California, that serves government and nonprofit organizations throughout California as well as other states. Our mission is to work toward a just and equitable society by partnering with diverse stakeholders in addressing barriers to individual, organizational, and community well-being. RDA supports its clients through an integrated approach to planning, grant-writing, organizational development, and evaluation.
