[Map of Schools](#)

[Click to See List of Schools](#)

* Based on 2019 - 2020 enrollment estimates, assumption that 85% of students offered site based instruction attend (15% remain in remote), and information available on school / district web sites, and / or information provided by schools

** Average over the past five school days.

*** Based on 2019 - 2020 state data.

**** Since 9/8/2020 (first day of instruction PK - 12)

Note: School Site Specific Protection Plan (SSSPP): All schools that are open for in-person classroom instruction have submitted SSSPP that have been reviewed by Publish Health and describe how [Marin County School Guidelines \(30 point plan\)](#) are being implemented at the school site level.
